

## Featured Employer Advertising

Post a job on our site, become a Featured Employer and get noticed. Your company name and logo will appear in rotation on the CareerPharm.com home page. When users click on your name or logo, they're brought to a new page showcasing your background and current job list. And unlike other job boards, which only post Featured Employers on the home page, you'll be listed, by logo, on every page of our site.

### Pricing (net)

30 Day Featured Employer	\$750
90 Day Featured Employer	\$2,000

## Hot Job Advertising

Priority placement is in demand, and our Hot Jobs can make sure your posts are getting it. Our Hot Jobs appear on the CareerPharm home page in rotation, and include your company's name and the job title and opportunity location. These postings receive priority placement in search results pages, which puts yours right at the top, regardless of your job's expiration date.

And of course, CareerPharm Hot Jobs are unique purchase one during June, September, December or March and we'll include it in one of our quarterly targeted eNewsletters.

### Pricing (net)

45 Day Hot Job	\$125
90 Day Hot Job	\$250

## Another example?

**Purchase a package of online products and your job postings will be highlighted in one of our quarterly targeted CareerPharm eNewsletters.**

**And remember, CareerPharm Banners and Featured Employers appear on every page of the site, not just the home page. Plus, you don't compete with Retail Pharmacies and Staffing firms.**
