

Personnel Placement Service (PPS)

Staged during ASHP's Midyear Clinical Meeting, our Personnel Placement Service (PPS) is the industry's largest and most widely attended national pharmacy recruitment event, and has been for sixty years. With some 1,500 pharmacy students, residents and practitioners in attendance, PPS is your shot to garner the attention you seek, from the candidates you want.

As a participant, you can post your jobs to the special PPS Web site on the CareerPharm board. After you connect with applicants there, we'll provide space to meet face-to-face at PPS. The result is the most efficient use of your time at the event.

Registration forms will be posted on CareerPharm.com in July. Before then, just email your request or questions to pps@ashp.org or give us a call at **301-576-4285**.

Pricing

	Early	Late	On site
PPS Jobs per unique listing	\$595	\$995	\$1195
Additional Booth	\$500		
Additional Table	\$200		

PPS job postings are based on a per job fee. If you are recruiting for more than one job with the same description, we recommend you post it multiple times to receive enough recruiting space. Or consider purchasing additional booths or tables. In addition to interviewing, PPS offers great opportunities for advertising and branding. Special advertising packages will be available in July.
